## Summary Measures and Graphs

## Category of Change: Retirement Age

Proposed Provision: Starting in 2013, allow workers to choose whether to have their payroll tax rate reduced by 2 percentage points. For each calendar year that a worker chooses to have their payroll tax reduced, their NRA increases 1 month. We assume $2 / 3$ of workers each year will choose this payroll reduction. The General Fund of the Treasury reimburses the OASI and DI Trust Funds for the reduction in payroll tax revenue.
