

*Old-Age (retirement), Survivors, and Disability Insurance (OASDI)*—popularly referred to as Social Security—provides monthly benefits to an eligible worker and family members when the worker elects to start receiving retirement benefits or when the worker dies or becomes disabled. A worker’s lifetime covered earnings largely determine the amount of benefits received.

**Table 1.**  
**Number of OASDI beneficiaries in current-payment status and total monthly benefits, December 2012**

| Congressional district | Number of beneficiaries |                    |                     |                           |                      |                       | Total monthly benefits<br>(thousands of dollars) |                    |                           | Number of<br>beneficiaries<br>aged 65 or older |
|------------------------|-------------------------|--------------------|---------------------|---------------------------|----------------------|-----------------------|--|--------------------|---------------------------|--|
