a. Critical access hospitals are included with short-stay hospitals because, though not subject to one of the Medicare inpatient hospital prospective payment systems, they essentially function as and are viewed as short-stay hospitals by their communities.

b. Based on total number of persons enrolled in the Hospital Insurance program as of July 1, 2013.

c. Other non-short-stay hospitals include long-term hospitals, psychiatric hospitals, rehabilitation hospitals, children's hospitals, and religious nonmedical institutions.
