

TOOLS WE USE TO FIGHT FRAUD

Protecting your investment in Social Security

Social Security uses a variety of proven initiatives that identify fraud and help investigators analyze suspicious or questionable claims. We are successful at combating fraud by using data analytics, collaborating with various agencies to pool investigative resources, and employing technology to root out fraud.

A few examples of Social Security's anti-fraud initiatives

- Centralized Fraud Prevention Units
- Cooperative Disability Investigation program
- Access to Financial Institutions program
- Civil Monetary Penalties
- Administrative Sanctions
- National Anti-Fraud Committee
