

2024 FEDERAL EMPLOYEE VIEWPOINT SURVEY

Social Security Administration

This report has been redacted per Executive Order (EO) 14151 [Ending Radical and Wasteful Government DEI Programs and Preferencing](#), and EO 14168 [Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government](#).

This document provides the 2024 Federal Employee Viewpoint Survey (FEVS) results for the Social Security Administration (SSA). Government-wide FEVS results are available on the Office of Personnel Management (OPM) [Fed View Website](#).

Survey Administration

OPM administered the online survey to SSA employees from May 21 through July 5, 2024. SSA's participation in the FEVS fulfills the Federal requirement to administer an Annual Employee Survey (AES). See regulations at [5 CFR Part 250, Subpart C](#).

Survey Sample and Response Rate

OPM conducted a census of full-time and part-time permanent Federal employees to participate in the FEVS. SSA achieved a response rate of 69.7 percent. Of the 57,387 SSA employees whom OPM invited to participate, 40,016 of our employees voluntarily responded to the FEVS.

Based on our analysis, we determined that SSA's survey respondents are representative of our employee population.

Survey Results

In 2024, SSA employees continue to demonstrate resilience and generally reported improvements in perceptions of leadership and overall employee engagement.

Strengths: Our 2024 FEVS results show that SSA employees are committed to contributing to the common good, held accountable for achieving results and producing quality work, have positive relationships with their first line supervisor, and that the organization has prepared them for potential cybersecurity threats.

Opportunities: Our 2024 survey results indicate that performance management concerns continue to be a challenge. Questions concerning meaningful performance recognition, employee empowerment and involvement in decisions, innovation, and workload management had the lowest percentage of positive responses.

The following sections provide agency-level 2024 FEVS results for SSA.
