

II. SSN Verification Does Not Provide Proof or Confirmation of Identity

SSA's SSN Verification does not provide proof or confirmation of identity. *eCBSV is designed to provide a permitted entity with only a "yes" or "no" verification of whether the SSN verified with SSA's records. If SSA's records show that the SSN holder is deceased, eCBSV returns a death indicator. SSN Verifications do not verify an individual's identity. eCBSV does not verify employment eligibility, nor does it interface with the Department of Homeland Security's (DHS) verification system, and it will not satisfy DHS's I-9 requirements.*
