II. **SSN Verification Does Not Provide Proof or Confirmation of Identity**

SSA’s SSN Verification does not provide proof or confirmation of identity. *eCBSV is designed to provide a permitted entity with only a “yes” or “no” verification of whether the SSN verified with SSA’s records.* If SSA’s records show that the SSN holder is deceased, *eCBSV returns a death indicator.* SSN Verifications do not verify an individual's identity. *eCBSV does not verify employment eligibility, nor does it interface with the Department of Homeland Security’s (DHS) verification system, and it will not satisfy DHS’s I-9 requirements.*
