The Benefits Planning Query (BPQY) is part of the Social Security Administration’s (SSA) efforts to inform Social Security Disability Insurance (SSDI) beneficiaries and Supplemental Security Income (SSI) recipients about their disability benefits and the use of work incentives. A BPQY statement contains detailed information about the status of a beneficiary’s disability cash benefits, scheduled medical reviews, health insurance, and work history. In essence, the BPQY provides a snapshot of the beneficiary’s benefits and work history as stored in SSA’s electronic records.

The BPQY is a tool used by Area Work Incentive Coordinators (AWIC), the Plan to Achieve Self-Support (PASS) Cadre members, advocates, beneficiaries, and other individuals. The information contained in a BPQY provides customized information on SSA’s employment support programs to beneficiaries with disabilities who want to start or keep working. Analysis of a beneficiary’s disability and work status is the first step when planning a successful return to work.

HOW TO REQUEST A BPQY

We give the BPQY statement to beneficiaries and their representatives upon request with proper authorization.

BENEFICIARY REQUESTS

Beneficiaries can request a BPQY by contacting their local office, or calling 1-800-772-1213 from 8 a.m. to 7 p.m., Monday through Friday. People who are deaf or hard of hearing may call our toll-free TTY/TDD number, 1-800-325-0778, between 8 a.m. and 7 p.m., Monday through Friday. A telephone representative will either help you themselves, or put you in contact with your local office. Many local telephone directories list local offices under “Social Security.”

If you have internet access, use the Social Security Office Locator on our home page, Social Security Online, at www.socialsecurity.gov. Enter your postal ZIP code and we will give you the address, telephone number, and directions to your local office.

THIRD PARTY REQUESTS

A signed consent form is required when the BPQY will be sent to someone other than the beneficiary (for example, to the beneficiary’s Representative Payee, Authorized Representative,
advocates, benefits counselors, or an organization). These individuals/organizations must submit a Consent for Release of Information form (SSA-3288) that has been appropriately signed by the beneficiary (See Exhibit). The Consent for Release of Information is needed to release information from Social Security records, and must contain the beneficiary’s Social Security Number (SSN) or the Claim Number. **THE CONSENT FORM REQUIRES A WET SIGNATURE FROM THE BENEFICIARY.**

THE RED BOOK

The Red Book (Publication No. 64-030) is a general reference tool designed to provide a working knowledge of the employment support provisions for individuals with disabilities under the SSDI and SSI programs. The Red Book is primarily for educators, advocates, rehabilitation professionals, and counselors who serve persons with disabilities. We also expect that applicants and beneficiaries will use it as a self-help guide. Its purpose is to provide a working knowledge or our work incentives so that users can advise individuals with disabilities appropriately and recognize when to seek case-specific guidance from SSA.

The Red Book is available online at: [www.socialsecurity.gov/redbook/](http://www.socialsecurity.gov/redbook/). En Espanol at: segurosocial.gov/espanol/librorojo/main-sp.html. Alternative media is also available (Braille, audio CD, or enlarged print) at: [http://www.ssa.gov/pubs/alt-pubs.html/](http://www.ssa.gov/pubs/alt-pubs.html/).

UNDERSTANDING THE BPQY

The BPQY is designed to provide information based on SSA records to help a successful return to work effort. Any plan for returning to work should begin with knowing existing disability status and having an understanding of how work will impact disability benefits. A BPQY is an excellent starting point.

The following pages show an example of a BPQY Cover Letter and BPQY statement, with an explanation of the information contained in each section.

DEFINITIONS OF EACH FIELD

SSN
BPQY gives the last four of the SSN of the individual who is the subject of the statement, even if benefits are being paid from a parent or spouse’s record under a different SSN.

RECORD
The first column provides the categories broken into sections for Cash, Medical Reviews, Representation, Health Insurance, SSI work Exclusions, SSDI Work Activity, and Demonstration Project Information. We provide the IRS recorded earnings in a yearly total, and the SSI recorded earnings in monthly totals. If available, we also provide the posted SSDI monthly earnings for the last five years.

CASH
Under the cash category, this section details the type and status of benefits and payment amounts.

TYPE OF BENEFIT
Shows the type of benefit received. NOTE: In SSDI cases, a beneficiary may receive benefits on more than one record (SSN), but only the current benefit is reported on the BPQY.

POSSIBLE SSDI ENTRIES
- Disabled Worker
- Disabled Adult Child
- Disabled Widow
- Disabled Widower
- Disallowed Claim
- Denied Claim-Medical Denial

POSSIBLE SSI ENTRIES
- Disabled Individual
- Disabled Spouse
- Disabled Child
- Blind Individual
- Blind Spouse
- Blind Child
- Disabled Student
- Blind Student

CURRENT STATUS
A beneficiary may be in a current pay status (getting a check), suspended, or terminated entitlement.

STATUTORY BLINDNESS
Yes means that SSA has determined that the beneficiary’s visual impairment meets the definition of Statutory Blindness, under the Social Security Act for SSDI/SSI benefit purposes. The substantial gainful activity (SGA) level is higher for statutory blindness than for other types of disabilities.

DATE OF DISABILITY ONSET
The most recent medical disability onset date established by SSA.

DATE OF ENTITLEMENT
The most recent date of entitlement to SSDI benefits and/or the most recent date of eligibility for SSI. Earlier periods of entitlement and/or eligibility are not displayed.
FULL AMOUNT
The full amount of the monthly cash benefit before any deductions or reductions for Medicare premiums, overpayment collections, etc.

Possible entries are: Monthly cash benefit amount, suspended, deferred, or terminated.

The SSI full amount includes any federally administered state supplement, but does not include any state administered state supplement payment.

NET AMOUNT
The amount of cash benefits paid by check or electronic funds transfer to the beneficiary’s financial institution. This is the cash amount received after deducting any Medicare premium, overpayment recovery, garnishment, etc. from the Full Amount.

Others Paid on the Record
Indicates if other people are entitled to benefits on this record. Other beneficiary’s cash or medical benefits may be affected when the disabled individual’s work activity results in termination of cash benefits. If a disabled adult child/widow(er) benefit is listed as a "Type of Benefit", other beneficiaries on this record will not have their benefits reduced due to the work activity of the disabled adult child/widow(er) but others’ benefits may increase.

TOTAL FAMILY CASH BENEFITS
The full amount of cash benefits paid to the disability beneficiary and other entitled family members on this record for SSDI. Not Applicable will print under the SSI column since SSI is an individual entitlement.

OVERPAYMENT BALANCE
The current balance of any outstanding monies owed to SSA for incorrect cash payments.

MONTHLY AMOUNT WITHHELD
The amount of cash benefits that SSA is withholding to apply towards a past overpayment of benefits.

MEDICAL REVIEWS

NEXT MEDICAL REVIEW
The date scheduled to review the beneficiary’s medical condition. If unknown is displayed, no medical review is scheduled.

MEDICAL RE-EXAM CYCLE
There are three types of medical review diaries. The letter codes represent the reason for establishing a periodic review diary of less than 3 years, while the numeric codes represent periodic review diaries of 3 years or longer. Possible entries are:
<table>
<thead>
<tr>
<th>Code</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A thru U+</td>
<td>Periodic review diary of less than 3 years (medical improvement is expected)</td>
</tr>
<tr>
<td>3+</td>
<td>3-year periodic review diary (non-permanent disability)</td>
</tr>
<tr>
<td>5+</td>
<td>5-year periodic review diary (permanent disability)</td>
</tr>
<tr>
<td>7+</td>
<td>7-year periodic review diary (permanent disability)</td>
</tr>
</tbody>
</table>

*NOTE: There may be different periodic review diaries and scheduled dates for SSDI and SSI. The entries will show that the medical diary is deferred due to Ticket to Work.*

**REPRESENTATION**

**REPRESENTATIVE PAYEE**
A no indicates that the disabled beneficiary receives cash benefits directly; a yes means that he/she has a Representative Payee.

**AUTHORIZED REPRESENTATIVE**
A no indicates that the disabled beneficiary does not have an authorized representative; a yes means that he/she has appointed an Authorized Representative.

**HEALTH INSURANCE**

**TYPE**
Shows the type of Medicare and/or Medicaid health insurance entitlement and/or eligibility on SSA’s records. It includes Medicare Part A (hospital), Part B (medical), and Medicaid eligibility status under SSI.

**START**
Date current coverage began.

**STOP**
Date coverage ended.

*NOTE: When an SSDI beneficiary reaches age 65, Medicare converts from Medicare based on disability to Medicare based on age. This occurs even though cash benefits will not convert to retirement benefits until full retirement age. In these situations, the BPQY incorrectly displays a MEDICARE stop date effective with the month of the 65th birthday.*

**BUY-IN**
Shows yes or no for Parts A & B. A yes means the state of residency pays the premium for this beneficiary. No means the premium is either deducted from his or her monthly check or paid by premium billing.
Part A is premium free except for extended Medicare eligibility through Medicare for the Working Disabled.

CAUTION: There are sources of eligibility to Medicaid that are unknown to SSA. If an SSI recipient resides in a state that allows Medicaid eligibility with SSI eligibility (i.e., a 1634 state), the BPQY will show the Medicaid eligibility information. For all other situations (i.e., 209b states or SSI criteria states), verify Medicaid eligibility through the local or state Medicaid Agency.

SSI WORK EXCLUSIONS

Details SSI Work Incentives that exclude earned income from the calculation of the SSI payment amount.

Blind Work Expenses, Impairment-Related Work Expenses, Student Earned Income Exclusions, and PASS Exclusion. If a work exclusion does not apply, the entry will be blank. If a work exclusion applies, the dollar amount of the exclusion and the month when it was excluded will be provided.

NOTE: A Plan to Achieve Self-Support (PASS) can also result in an exclusion of unearned income.

SSDI WORK ACTIVITY

Details a beneficiary’s work activity as recorded in SSDI electronic records.

TRIAL WORK MONTHS

• Start: Month and year of the first month of Trial Work Period (TWP)
• End: Month and year of last month of TWP
• Used: Total number of months of the TWP completed

This information is based on the most recent work continuing disability review (CDR) determination. In some cases, a work CDR may be pending or overdue, so the information provided may not be current. If you suspect that this information is outdated or incorrect, contact a Social Security representative as soon as possible.

MONTH OF CESSATION

The first month after the TWP that, based on SSA records, the beneficiary performed SGA. Payment of cash benefits after the cessation month depends on the beneficiary’s work activity. The beneficiary is entitled to benefits for that month, and the next two months (grace period). It is possible for a beneficiary to have a cessation date but continue receiving benefits if the gross monthly earnings during the extended period of eligibility are not SGA.

CURRENT SGA LEVEL
The SGA amount appropriate for this beneficiary. The current SGA amount for beneficiaries with disabilities other than blindness and for individuals with blindness may be found in The Red Book at http://www.ssa.gov/redbook/eng/main.htm. SGA amounts are annually in January.

LAST WORK ACTION
The last work action review represents either the last work review decision date or the date we started a current review.

DEMONSTRATION PROJECT INFORMATION
Provides information about any applicable demonstration project such as a Benefit Offset National Demonstration.

EARNINGS RECORD
Provides a synopsis of work-related earnings as shown in our records.

SSI RECORDED EARNINGS (MONTHLY)
The right columns display monthly earnings for the most recent 2 years posted on the SSI record. Verified earnings have a V code and estimated earnings have an E code.

POSTED SSDI MONTHLY EARNINGS (LAST FIVE YEARS)
Provides a listing of the last five years of monthly SSDI earnings.

GROSS WAGES
The monthly earnings for the five most recent years as posted on the SSDI record.

GROSS VERIFICATIONS
Y indicates earnings have been verified. If gross earnings are unverified, they are coded with an N.

TOTAL COUNTABLE EARNINGS
The total amount of earnings after deductions for subsidies, special conditions, unincurred business expenses, and impairment-related work expenses.
