Business Services Online (BSO)

Scan the QR code to learn more!

On March 25, 2023, we updated how you access a BSO account to use the following services:

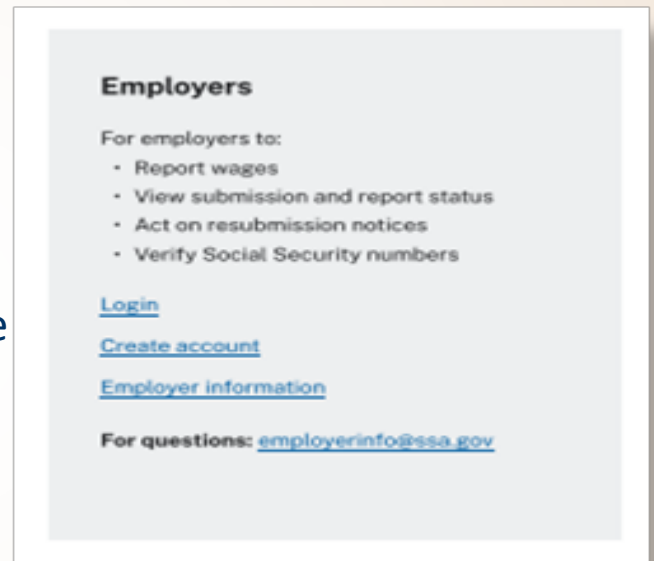

Wage file upload

W-2/W-2C online

AccuWage online

Social Security Number Verification Service

View wage report name/SSN errors

Important

- You **MUST** start at the BSO Welcome page www.ssa.gov/bso.
- The first time you access BSO after March 25, 2023, you will need to select the '**Log in**' link if you do not have a my Social Security account or '**Create account**' link to verify your identity with one of our credential partners.
- Please use the 'Log in' link when accessing BSO after that.
- Note, the **Account** link in the top right corner of the BSO welcome page, is for personal accounts and not BSO.

Navigate the New Sign In Process!

The initial Social Security sign in screen looks the same for a business and personal account. It is important that you start from the BSO page to access BSO services. You will not be able to access BSO services otherwise.

Sign in with Social Security Username

For accounts created *before* September 18, 2021

[Don't know which option to sign in with?](#)

Are you now, or have you ever been a victim of domestic violence? Identity theft? Do you have other concerns?

You can [contact us](#) to block electronic access to your information at any time, for any reason.

If you do not have a **my Social Security** account, select *Create an account* to verify your identity and create one.

If you have an existing **my Social Security** account, you can enter it here.

Note: This is **NOT** your existing BSO User ID and password.
