Electronic Records Express (ERE): Access Electronic Requests

Instructions for Access Electronic Requests

This function allows providers (hospital, doctor, copy service, etc.) to respond to Consultative Examination (CE) and Medical Evidence request letters sent electronically to the ERE Website from the requesting DDS office. Using the Access Electronic Requests link providers will be able to view, download, respond, and submit documentation related to the electronic request sent by the DDS.

Electronic requests can be accessed by directly logging into ERE with a valid username and password. Once on the ERE Home page, under the Evidence Functions heading, select Access Electronic Requests. Electronic requests can also be accessed by receiving an email notification when a request is sent to an associated ERE account from the DDS. The email will include a link that will direct a user to enter their ERE User ID and password. After logging in, the user is taken to the individual request associated with the email that was received.

Please note that you are responsible for information submitted on the ERE website when using your ERE User ID and password. You should never share your ERE User ID or password with others.
Access Electronic Requests

- This page allows a user to view and sort the status of all requests received from the DDS. A user may also change the request type by clicking the arrow from the drop-down box under Request Type by selecting a different request type and clicking Show. The request types are:

  - Closed Requests – Displays requests cancelled by a DDS,
  - Submitted Requests – Displays requests that have been submitted,
  - Requests Open Over 90 Days – Displays requests sent by the DDS over 90 days ago,

**Important Note**

It is against SSA policy for a user to delegate the uploading of their Consultative Examination reports, via the **Access Electronic Requests** website function, to staff members. Step 3a & 3b—Confirmation

- If you do not receive the Confirmation page, you should resubmit the materials.
- If you continue to have transmitting problems, contact the Electronic Records Express Website Help Desk at EETechSupport@ssa.gov or 1-866-691-3061.

This print link works the same as if you selected File and Print from your browser’s menu. You cannot bookmark and save a Confirmation page, and you will not be able to retrieve it later once you exit the webpage.
