40. Enter the number of challenges processed by your agency to the classification of information believed to be improperly classified or unclassified (See EO 12958 as amended. Section 1.8)	40. 0
PART I: Explanatory Comments	
Use this space to elaborate on any section of this form. If more space is needed, provide as an attachment to this form. Provide explanations for a changes in trendshumbers from the previous year's report.	ny significant

The Social Security Administration (SSA) rarely receives classified national security information. When received, it has been classified by another entity as SSA does not have original classification authority. Of the few classified documents received, derivative classification was unnecessary.

Inspections consist of semi-annual meetings/discussions with components of SSA which may receive classified national security information to determine whether appropriate safeguarding procedures are followed and to determine whether the documents received require derivative classification.
