Key Providers

an estimated annual (fiscal year) billing to the Social Security disability programs of at least \$150,000; or practice of medicine, osteopathy or psychology is primarily directed towards evaluation examinations rather than the treatment of patients; or does not meet the criteria in bullets 1 and 2 of this list, but is one of the top five CE providers in the State by dollar volume, as evidenced by prior year data.

	Yellow highlighted are key providers and all are one of top five. All onsite reviews of key providers were completed.			
NO PANELISTS REMOVED BECAUSE OF INACTIVE LICENSE, SANCTION OR REMOVAL FOR CAUSE				
	Pink highlighted were visited for feedback but were not key providers.			
	Blue highlighted are new providers who were visited for orientation and training.			

	One other provider was visited for recruitment and training but decided not to join the panel and so is not on this list as this is only providers who actually performed CEs in FY '15.
