However, failing to provide all or part of the information may delay a determination on the named individual's eligibility for Supplemental Security Income (SSI) benefits.

We will use the information to determine the named individual's eligibility for SSI benefits. We may also share your information for the following purposes, called routine uses:

- To the appropriate State agencies (or other agencies providing services to disabled children) to identify Title XVI eligibles under the age of 16 for the consideration of rehabilitation services in accordance with section 1615 of the Act, 42 U.S.C. 1382d; and

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0103, entitled Supplemental Security Income Record and Special Veterans Benefits, as published in the Federal Register (FR) on January 11, 2006, at 71 FR 1830.
