

Social Security Retirement Benefits

Securing today and tomorrow

If you work and pay taxes, you may be entitled to Social Security retirement benefits.

To receive retirement benefits, you'll need to work for at least 10 years or earn 40 credits

In 2024
\$1,730 = 1 credit

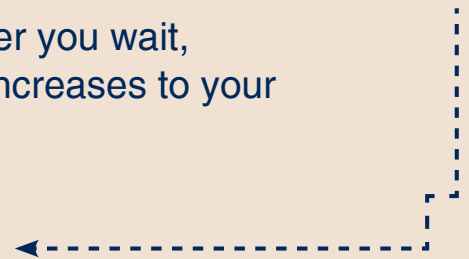

40 credits are necessary for retirement and Medicare benefits

4

You can earn a maximum of credits a year

You can apply for benefits beginning at age 62. The longer you wait, the bigger your monthly benefit will be. There will be no increases to your benefit after you reach age 70.

When's the best time for you to retire?

Early Retirement

close to
75%
of your full benefit amount

Full Retirement

100%
of your full benefit amount

Delayed Retirement

close to
130%
of your full benefit amount

The amount of your retirement benefit is based on how much you earned during your working career. There may be other factors that affect the amount you receive.
