

Create Your Personal *my* Social Security Account with ID.me

1		Scan the QR code or visit ssa.gov/myaccount
2		If you live outside of the U.S. or do not have a Social Security number, create an account with ID.me
3		Select “OK” to be redirected to ID.me’s website
4		Enter your email address that you have immediate access to
5		Create a strong password with at least 8 characters (letters, numbers and characters)
6		ID.me will send a verification email to your email address
7		Open the email and click the verification link
8		Set up multi-factor authentication (MFA) for added security
9		SMS texts are easy and you can change this method at any time
10		Verify your identity and upload a photo (front and back) of your U.S. government-issued ID
11		Take a selfie. ID.me will use it to verify that you are the person on your ID
12		Select the check box for the Fair Credit Reporting Act and select “Yes”
13		Click the “Allow” button to share your verified information with SSA
14		Click “Next”, after reviewing the SSA Terms of Service and Privacy Policy

Success! You will be directed to your personal *my* Social Security account.
For additional help, scan the QR code for a How to Video.
