

Create Your Personal *my* Social Security Account with Login.gov

1		Scan the QR code or visit ssa.gov/myaccount
2		Click the “Create an account with Login.gov” button
3		Continue to the Login.gov webpage, and enter your email address that you have immediate access to
4		Select your email language preference, check the box to accept the Login.gov Rules of Use, and then click “Submit”
5		Login.gov will send a verification email to your email address
6		Open the email and click “Confirm email”
7		Create a strong password with at least 12 characters (letters, numbers and characters)
8		Set up multi-factor authentication (MFA) for added security
9		Verify your identity and continue on your phone
10		Verify your identity and upload a photo (front and back) of your U.S. government-issued ID
11		Take a selfie. Login.gov will use it to verify that you are the person on your ID
12		Connect your verified information to SSA
13		Click “Next” to agree to the SSA Privacy Act Statement and Terms of Service

Success! You will be directed to your personal *my* Social Security account.
For additional help, scan the QR code for a How to Video.
