

Social Security Administration's Senior Procurement Executive has made the determination that the consolidation of the following requirement is necessary and justified in accordance with FAR 7.107-2 *Consolidation*.

Laptops and Workstations

Consolidation of the procurement of Laptops and Workstations, currently acquired through two separate ordering vehicles – Blanket Purchase Agreement (BPA) SS00-17-40017 and BPA SS00-14-40023. While the former provides laptops, peripheral equipment, and installation services throughout the continental United States and its territories, the latter provides workstations, related hardware, and installation services for the same locations.
