Digital Modernization through Partnerships with Small Businesses

October 19, 2022 | 1:00 pm – 3:00 pm EST

Join the Social Security Administration's (SSA) Digital Modernization Industry Day for Small Businesses on Wednesday, October 19, 2022 at 1:00 pm – 3:00 pm EST.

This virtual event is sponsored by SSA's Office of Small and Disadvantaged Business Utilization and will provide you direct access to SSA leadership. The target audience for this event includes small businesses and their representatives.

Industry Day Highlights:

- Learn about SSA goals, priorities, and contracting processes
- Submit questions about SSA priorities and procurement opportunities
- All small businesses are welcome to participate
