

With You Through Life's Journey...

Mid-Career

We are with you from day one, with baby names and benefits for your children.

Did you know that 4% of all benefits are paid to children under age 18?

If you change jobs, your employer verifies your Social Security number with us. That way your earnings record is accurate and up to date in case you need benefits. Keep track of your earnings record by creating your personal **my Social Security** account. ssa.gov/myaccount

If you legally change your name due to marriage, divorce, or any other reason, let us know so you can get an updated Social Security card — and so we can accurately keep track of your earnings. There is no charge for a Social Security card.

If the unexpected happens, we are there with disability benefits for you and your dependents.

Workers with disabilities and their dependents account for 13% of Social Security beneficiaries.

If you lose your soul mate, we are there with benefits to help you get through the difficult time.

When most people think of Social Security, they think of retirement benefits — and with good reason. But we are more than retirement benefits; we also offer many online tools to help you plan for your future.
