

# With You Through Life's Journey...

## Pre-Retirement

Just as we were there day one for you and your children, we will be there for future generations as well.

From your first job to your last, your employers have verified your Social Security number with us to help reduce fraud and improve the accuracy of your earnings records.

If you legally change your name due to marriage, divorce, or any other reason, let us know so you can get an updated Social Security card — and so we can accurately keep track of your earnings. There's no charge for a Social Security card.

If the unexpected happens, we are there with disability benefits for you and your dependents.

Disabled workers and their dependents accounted for 11% of total benefits paid in 2023.

If you lose your soul mate, we are there with benefits to help you get through the difficult time.

Retired workers and their dependents accounted for 77.8% of total benefits paid in 2023.

We help you plan for retirement with tools like *my* Social Security and our online retirement application.
