South Carolina

Social Security and SSI Statistics by Congressional District, December 2002

Old-Age (retirement), Survivors, and Disability Insurance (OASDI)—popularly referred to as Social Security—provides monthly benefits to workers and their families when earnings stop or are reduced because the worker retires, dies, or becomes disabled. The amount of benefits received is based on the worker's level of earnings in employment or self-employment covered by the Social Security program.

Table 1.—OASDI in South Carolina, December 2002: Number of beneficiaries and monthly benefit amount for benefits in current–payment status

	Number of beneficiaries					Mont (tho	Number of OASDI
