

Old-Age (retirement), Survivors, and Disability Insurance (OASDI)—popularly referred to as Social Security—provides monthly benefits to workers and their families when earnings stop or are reduced because the worker retires, dies, or becomes disabled. The amount of benefits received is based on the worker’s level of earnings in employment or self-employment covered by the Social Security program.

Table 1.
Number of OASDI beneficiaries with benefits in current-payment status and total monthly benefits, December 2004

Congressional district	Number of beneficiaries						Total monthly benefits (thousands of dollars)			Number of beneficiaries aged 65 or older
