a. Couples are treated as two individuals the month after leaving an independent living arrangement.

**Definitions:**

- **Living in a personal care facility.** Includes recipients who are ambulatory or mobile nonambulatory and able to manage most of the activities of daily life. Facilities provide supervision, basic health and health-related services, personal care, and social or recreational activities.

- **Living in a family care home.** Includes recipients in residential accommodations limited to two or three persons who are not related to the licensee. Residents of these homes must be ambulatory or mobile nonambulatory and be able to manage most of the activities of daily life. They cannot have an illness, injury, or disability requiring constant medical care.

- **Caretaker in home.** Includes recipients who are eligible to receive caretaker services in their homes. These services are provided at regular intervals to prevent institutionalization.
