NOTE: Blind individuals aged 65 or older are entitled to the highest payment category for which they qualify.

a. The amounts given apply when both members of a couple belong to the same eligibility category. When members belong to different eligibility categories, the two respective individual benefits are added to obtain the couple’s benefit.

DEFINITIONS:
A: Living independently. Includes recipients who live:
• Alone;
• Only with an eligible spouse;
• With an eligible spouse and with ineligible children who do not receive income maintenance payments; or
• With an ineligible spouse and ineligible children none of whom receive income maintenance payments. Also includes recipients residing in a federal Code C living arrangement who do not live with any persons receiving income maintenance payments. Persons not meeting these criteria may be included if they are residing in a federal Code A or C living arrangement and pay at least two-thirds of the household expenses. Recipients living in public congregate housing developments are also included.

B: Shared living expenses. Includes recipients who are residing in a federal Code A or C living arrangement and do not meet the criteria for state living arrangement A or E. It therefore includes recipients who reside in group care facilities such as halfway houses, private medical facilities where Medicaid is paying 50 percent or less of the cost of care, foster homes, commercial boarding homes, or in other facilities that do not meet the criteria for state living arrangement A or E. It also includes:
• Recipients who reside in households where they do not pay at least two-thirds of the household expenses and one or more household members receive an income maintenance payment; and
• Transients, the homeless, and residents of public emergency shelters.

C: Living in the household of another. Includes recipients residing in a federal Code B living arrangement.

E: Living in a licensed rest home. Includes recipients residing in a licensed rest home that has a provider agreement with the state.

F: Living in a Medicaid facility. Includes recipients residing in a federal Code D living arrangement.

G: Living in an assisted living facility. Includes recipients residing in nonpublic subsidized assisted living facilities that have been registered with the state.
