State Supplementation

Mandatory Minimum Supplementation

Administration: Social Security Administration.

Optional State Supplementation

Administration: Social Security Administration and District of Columbia Department of Health.

Effective date: January 1, 1974.

Statutory basis for payment: District of Columbia Laws 2-35, as amended, and 3-23.

Funding

Administration: District of Columbia funds.

Assistance: District of Columbia funds.

Passalong method: Maintaining total expenditures.

Place of application: District of Columbia Department of Health and Social Security Administration field offices.

Scope of coverage: Optional state supplement provided to persons residing in adult foster care homes who are eligible for SSI payments or would be eligible except for income. No statutory minimum age requirements for receiving adult foster care supplementation, but children receive assistance through child welfare services provisions.

Resource limitations: Federal SSI regulations apply.

Income exclusions: Federal SSI regulations apply.

Recoveries, liens, and assignments: Only in cases in which liens were assigned before the establishment of the SSI program.

Financial responsibility of relatives: None.

Interim assistance: District participates.

Payment calculation method: The state supplementation is added to the federal payment. Countable income is deducted first from the federal payment. Any income that remains to be counted after the federal payment has been reduced to zero is then deducted from the state supplementary payment.

Payment levels: See Table 1.

Number of recipients: See Table 2.

Total expenditures: The Social Security Administration reported expenditures of $4,165,000 for calendar year 2007 in federally administered payments to SSI recipients.
