## State Supplementation

### Mandatory Minimum Supplementation

**Administration:** Social Security Administration.

### Optional State Supplementation

**Administration:** State Department of Human Services administers supplemental payments for persons receiving residential or in-home health-related care, and persons who are eligible for the supplement for Medicare and Medicaid eligible. Social Security Administration administers all other supplemental payments.

**Effective date:** January 1, 1974 (blind); May 1, 1974 (aged and disabled); October 1, 2003 (eligible for supplement for Medicare and Medicaid eligible).

**Statutory basis for payment:** Code of Iowa, chapter 249.

### Funding

*Administration:* State funds.

*Assistance:* State funds.

**Passalong method:** Maintaining payment levels.

**Place of application:** Social Security Administration field offices for federally administered payments; local offices of state Department of Human Services for state-administered payments.

**Scope of coverage:** Optional state supplement provided to all aged, blind, and disabled persons residing in the specified living arrangements. Supplementation is not provided to residents of emergency shelters or medical facilities. Blind children are eligible for optional supplementation if living in their own household or with a dependent relative; disabled children are eligible for optional supplementation if living with a dependent relative.

**Resource limitations:** Federal SSI regulations apply.

**Income exclusions:** Federal SSI regulations apply.

**Recoveries, liens, and assignments:** None.

**Financial responsibility of relatives:** None.

**Interim assistance:** State participates.

**Payment calculation method:** A standard applies that is established by the state for the total SSI payment. The federal SSI payment and any countable income are deducted from the state standard. The remainder is the state supplementation.

**Payment levels:** See Table 1.

**Number of recipients:** See Table 2.

**Total expenditures:** The state reported expenditures of \$12,525,667 for calendar year 2008 in state-administered payments and \$4,778,827 in federally administered payments to SSI recipients.

## State Assistance for Special Needs

State does not provide assistance for special needs.

- Payment level when both members of a couple are blind; when only one member is blind, payment is reduced by \$22.
- Amount based on allowable costs of residential care (\$17.86 to \$26.95 per day), plus a personal needs allowance of \$91.00 per month, minus the federal SSI payment. State administers payments.
- Payment is based on both members of a couple needing in-home health-related care. When one member needs care, payment is reduced by \$480.55. State administers payments.
- Payment is based on actual cost of in-home health-related care up to a maximum of \$480.55, plus basic federal benefit. State administers payments.

**DEFINITIONS:**

**A: Living independently (blind).** Includes all blind recipients who are not included under another arrangement, do not have an essential person, and are not otherwise ineligible for supplementation.

**B: Living in the household of another (blind).** Includes all blind recipients who are residing in a federal Code B living arrangement, are not included under another state arrangement, do not have an essential person, and are not otherwise ineligible for supplementation.

**C and H: Living with a dependent person.** Includes a recipient residing in a federal Code A, B, or C living arrangement. The recipient has an ineligible spouse, parent, child, or adult child living in the home who is financially dependent on him or her as defined by the Iowa Department of Human Services.

**D and I: Family life or boarding home.** Includes recipients residing in a federal Code A living arrangement who reside in a family life home or boarding home licensed by the Iowa Department of Health or certified by the Iowa Department of Human Services.

**Residential care.** Includes recipients who require custodial care (but not nursing care) on a 24-hour basis. The purpose of these facilities is to provide care for recipients who because of age, blindness, or disability are unable to adequately care for themselves in an independent living arrangement. Recipients must have the written recommendation of a physician to be admitted to these facilities.

**In-home health care.** Includes recipients who require personal services, nursing care, or both in their own home. The primary purpose of the program is to enable recipients to remain in their own home for as long as possible. Care must be recommended in writing by a physician and must be provided under the supervision of a registered nurse.

a. Includes a minimum of \$60 for personal needs allowance. Couples are treated as two individuals starting with the month after leaving an independent living arrangement.

**DEFINITIONS:**

**Living independently.** Includes recipients residing in a federal Code A living arrangement.

**Room and board facility.** Includes eligible persons who:

- Live in a household other than their own throughout a month with at least one other person who is not their child, their spouse, or an ineligible person whose income is deemed to them; and
- Receive food and shelter from within that household.

**Adult family home.** A residential living unit that provides full-time residence with minimal supervision and guidance to not more than three individuals aged 19 or older. Individuals residing in these homes are essentially capable of managing their own affairs but need supervision. These homes are certified by the social services unit in the local offices of the Department of Social Services.

**Licensed center for developmentally disabled.** These facilities provide accommodations and board and care (e.g., personal assistance in feeding, dressing, and other essential daily living activities) to four or more individuals who are unable to care for themselves or manage their own affairs because of illness, disease, injury, deformity, disability, or physical or mental infirmity. They do not, however, require the daily services of licensed, registered, or practical nurses. These facilities are licensed by the Department of Health and Human Services.

**Licensed group home for children or child-caring agency (disabled).** These facilities provide 24-hour accommodations for two or more developmentally disabled minors. The homes are under the direction and control of a mental retardation program and are licensed by the Department of Social Services.

**Assisted living facility.** A residential facility unit that provides accommodations and board and care for four or more individuals not related to the owner, operator, manager, or administrator. These individuals may be unable to manage their own affairs because of illness, disease, injury, deformity, or physical or mental infirmity. These individuals do not require the daily services of a licensed nurse; however, staff may assist with the taking of oral or external medication.

**Medicaid facility.** Includes recipients residing in a federal Code D living arrangement.
