Old Age, Disability, and Survivors

Regulatory Framework
First law: 1965.
Type of program: Social insurance system.

Coverage
Employed persons and technical college students.
Special system for civil servants.

Source of Funds
Insured person: 1% of earnings.
Employer: 2% of payroll.
Government: None.
The maximum monthly earnings for contribution and benefit purposes are 50,000 ouguiyas.

Qualifying Conditions
Old-age pension: Age 60 (men) or 55 (women) with 20 years of insurance and 60 months of contributions in the last 10 years (including those made under the previous nonpublic program). The pensionable age is reduced by 5 years if prematurely aged. Retirement from gainful employment is necessary. The pension is payable abroad if there is a reciprocal agreement.

Disability pension: The permanent loss of 2/3 of earning capacity with 5 years of insurance and 6 months of contributions in the last 12 months. There is no qualifying period if the disability is due to a nonoccupational accident.

Survivor pension: The insured was a pensioner, met the pension requirements, or had 180 months of contributions at the time of death.

Old-Age Benefits
Old-age pension: 20% of average earnings during the last 3 or 5 years (whichever is higher), plus 1.33% of earnings for each 12-month period of insurance beyond 180. The minimum pension is 60% of the highest minimum wage. The maximum pension is 80% of earnings.
Dependent supplement: Benefits for dependent children are provided under Family Allowances, below.

Old-age settlement: If the insured person does not meet the conditions for a pension, 1 month’s wages for each year of insurance coverage.
Benefit adjustment: Periodic adjustment of pensions to cost-of-living changes.

Permanent Disability Benefits
Disability pension: 20% of average earnings during the last 3 or 5 years (whichever is higher), plus 1.33% of earnings for each 12-month period of insurance beyond 180 months. A 6-month period is credited for each year that the claim is made before age 60 (men) or 55 (women). The minimum pension is 60% of the highest minimum wage. The maximum pension is 80% of earnings.
Constant-attendance supplement: 50% of the pension.
Dependent supplement: Benefits for dependent children are provided under Family Allowances, below.
Benefit adjustment: Periodic adjustment of pensions to cost-of-living changes.

Survivor Benefits
Survivor pension: 50% of the insured’s accrued pension is payable to a widow if aged 50 or disabled or to a dependent disabled widower.
Survivor settlement: If the insured person did not meet the qualifying conditions for a pension, the widow receives a lump-sum grant equal to 1 month of the insured’s pension for each 6 months of insurance.
Orphan’s pension: 25% of the insured’s pension for each orphan under age 14 (age 21 if student; no limit if disabled); 40% for each full orphan.
The maximum survivor pension is 100% of the insured’s pension.
Benefit adjustment: Periodic adjustment of pensions to cost-of-living changes.

Administrative Organization
Ministry of Civil Service, Labor, Youth, and Sports provides general supervision.
National Social Security Fund, managed by a tripartite board, administers the program.

Sickness and Maternity
