Old Age, Disability, and Survivors

Regulatory Framework
First law: 1922.
Current laws: 1994 (social insurance); 1994 (social assistance); 1999 (pension funds), implemented in 2004; 2002 (pension system); and 2003 (individual account), implemented in 2004.

Type of program: Social insurance and social assistance system.

Coverage
Private- and public-sector employees, self-employed persons, military personnel, conscripts, the clergy, parents and guardians of children younger than age 3, and persons providing care at home for persons with disabilities. Voluntary coverage is possible.

Source of Funds

Insured person: 3% of earnings.
Voluntarily insured persons contribute 50% of the basic pension amount for the basic pension plus 15% of declared earnings for the supplementary pension.
The basic pension is 360 litas.
The minimum earnings used to calculate contributions are the monthly minimum wage (800 litas).
Employed persons may divert a portion of their social insurance contributions to a voluntary individual account that supplements the social insurance old-age pension program. The decision to contribute to an individual account cannot be reversed.

Self-employed person: 50% of the basic pension amount for the basic pension plus 15% of declared earnings for the supplementary pension.
The basic pension is 360 litas.
The minimum declared earnings used to calculate contributions are the monthly minimum wage (800 litas).
There are no maximum earnings used to calculate contributions.

Employer: 23.3% of payroll.
The minimum earnings used to calculate contributions are the monthly minimum wage (800 litas).

Government: Any deficit; contributes as an employer.

Qualifying Conditions

Old-age pension (social insurance): Age 62 and 6 months (men) or age 60 (women) with at least 30 years of contributions.
Partial pension: A reduced pension is paid at the normal pensionable age with at least 15 years of contributions.
Pension supplement: The insured is of pensionable age and has more than 30 years of contributions.
Early pension: The insured is up to 5 years younger than the normal pensionable age with at least 30 years of contributions or registered as unemployed for the last 12 months and not receiving other benefits.
Deferred pension: If the insured has at least 30 years of contributions at the normal pensionable age, the pension may be deferred from 1 to 5 years.
Old-age pensions are payable abroad under reciprocal agreement; in the absence of a reciprocal agreement, benefits are payable abroad to insured persons with at least 15 years of contributions.

Old-age pension (social assistance): Age 62 and 6 months (men) or age 60 (women) and not be eligible for the social insurance old-age pension.

Disability pension (social insurance): Paid for an assessed loss in working capacity of at least a 45%. The required coverage period increases with age, up to 15 years of contributions. If younger than age 22, the insured must have at least 2 months of contributions; thereafter, the required coverage period increases by 2 months per year up to age 37; by 6 months per year from age 38.
Pension supplement: The insured has more than 30 years of contributions.
The Disability and Capacity for Work Establishment Office assesses the loss of working capacity.
The disability pension ceases at the normal pensionable age and is replaced by the old-age pension.
Disability pensions are payable abroad under reciprocal agreement; in the absence of a reciprocal agreement, benefits are payable abroad to insured persons with at least 15 years of contributions.

Survivor pension (social insurance): Paid if the deceased received an old-age or disability pension and had at least 15 years of contributions.
Eligible survivors are a widow(er) of pensionable age or assessed with a disability before, or within 5 years after, the spouse’s death or before reaching the normal pensionable age; a widow(er) without children who was married to the deceased for at least 5 years; in the absence of a surviving spouse, a partner who had children with the deceased or provides care at home for the deceased’s children.
Lithuania

The survivor pension ceases on remarriage.
Survivor pensions are payable abroad under reciprocal agreement; in the absence of a reciprocal agreement, benefits are payable abroad to insured persons with at least 15 years of contributions.

**Old-Age Benefits**

**Old-age pension (social insurance):** The monthly pension is 120% of the basic pension plus the supplementary pension.

The basic pension is 360 litas a month.
The monthly supplementary pension is 0.005 times the number of years of contributions multiplied by the insured’s coefficient multiplied by the insured income level.

The insured’s coefficient is calculated using annual earnings for the 5 best consecutive years between January 1, 1984 and December 31, 1993, and annual earnings for each year from January 1, 1994.
The insured income level is 1,170 litas.

Partial pension: The basic part of the pension is reduced in proportion to the number of years of contributions less than 30 years.

Pension supplement: 3% of the pension for each year of contributions exceeding 30 years is paid.

Early pension: The pension is reduced by 0.4% for each month the pension is awarded before the normal pensionable age.

Deferred pension: The pension is increased by 8% for each year the pension is deferred after the normal pensionable age.

Benefit adjustment: Benefits are adjusted according to changes in the value of the basic pension and the insured income level.

**Old-age pension (social assistance):** The monthly benefit is 0.9 times the basic pension.
The basic pension is 360 litas a month.

**Permanent Disability Benefits**

**Disability pension (social insurance):** For an assessed loss of working capacity of 75% to 100%, the monthly pension is 150% of the basic pension plus the supplementary pension; for an assessed loss of working capacity of 55 to 74%, 120% of the basic pension plus the supplementary pension.

The basic pension is 360 litas a month.
The supplementary pension is 0.005 times the number of years of contributions multiplied by the insured’s coefficient multiplied by the insured income.

The insured’s coefficient is calculated using annual earnings for the 5 best consecutive years between January 1, 1984 and December 31, 1993, and annual earnings for each year from January 1, 1994.
The insured income level is 1,170 litas.
Pension supplement: 3% of the pension for each year of contributions exceeding 30 years.

Partial disability: If the loss of working capacity is from 45% to 54%, the pension is 50% of the basic pension plus the supplementary pension.

There is no minimum or maximum disability pension.
Benefit adjustment: Benefits are adjusted according to changes in the value of the basic pension and the insured income level.

**Survivor Benefits**

**Survivor pension (social insurance):** The pension is equal to the survivor basic pension approved by government.

The survivor basic pension is 70 litas a month.
Benefit adjustment: Survivor benefits are adjusted according to changes in the value of the survivor basic pension.

**Orphan’s pension (social insurance):** Each orphan receives 50% of the deceased’s old-age or disability pension; 100% for full orphans.

All orphans’ benefits must not exceed 100% of the deceased’s pension.
Benefit adjustment: Orphans’ benefits are adjusted according to changes in the value of the basic pension and the insured income level.

**Administrative Organization**

Ministry of Social Security and Labor (http://www.socmin.lt) supervises the program.
State Social Insurance Fund Board (http://www.sodra.lt) administers the program, collects contributions, and pays benefits.

**Sickness and Maternity**

**Regulatory Framework**

First law: 1925

Current laws: 1991 (social insurance); and 2000 (sickness and maternity).

**Type of program:** Social insurance system.

**Coverage**

Private-sector employees and certain public-sector employees.
Exclusions: Public-sector employees covered by a state employees’ program.
Voluntary coverage for self-employed persons and for all other persons older than age 16, including citizens of any member state of the European Union residing permanently in Lithuania.

**Source of Funds**

**Insured person:** None for cash benefits and 6% of earnings for medical benefits.

**Self-employed person:** 2.2% of earnings for cash benefits and 9% of earnings for medical benefits.

**Employer:** 3.4% of payroll for cash benefits and 3% of payroll for medical benefits.

**Government:** Any deficit.

**Qualifying Conditions**

**Sickness benefits:** The insured must have at least 3 months of contributions in the last 12 months or at least 6 months of contributions in the last 24 months.

**Occupational rehabilitation benefits:** The insured must participate in an occupational rehabilitation program and have at least 3 months of contributions in the last 12 months or at least 6 months of contributions in the last 24 months before participating in the program.

**Maternity benefits:** The insured must have at least 3 months of contributions in the last 12 months or at least 6 months of contributions in the last 24 months before the first day of maternity leave.

**Paternity benefits:** The paternity leave period must be taken before the child reaches the age of 1 month. The insured must have at least 7 months of contributions before the first day of the paternity leave.

**Child care benefits:** Paid to one of the parents (including adoptive parents) or a guardian providing care for a child younger than age 1. The insured must have at least 7 months of contributions in the last 24 months before the first day of child care.

**Sickness and Maternity Benefits**

**Sickness benefit:** The sickness benefit is 85% of the insured’s average earnings in the last 3 months before the incapacity began.

The employer pays 80% to 100% of the insured’s average earnings for the first 2 days of incapacity.

The minimum benefit is 25% of the insured income level.

The maximum benefit is 5 times the insured income level.

The insured income level is 1,170 litas a month.

Benefit adjustment: The insured income level is set annually by the government.

**Occupational rehabilitation benefit:** The benefit is 85% of the insured’s average earnings and is paid for up to 180 days.

**Maternity benefit:** The benefit is 100% of the insured’s average earnings and is paid for 126 days.

The minimum benefit is 25% of the insured income level.

The maximum benefit is 5 times the insured income level.

The insured income level is 1,170 litas a month.

Benefit adjustment: The insured income level is set annually by the government.

**Paternity benefit:** The benefit is 100% of the insured’s average earnings.

The minimum benefit is 25% of the insured income level.

The maximum benefit is 5 times the insured income level.

The insured income level is 1,170 litas a month.

Benefit adjustment: The insured income level is set annually by the government.

**Child care benefit:** The benefit is 100% of the insured’s average earnings if the child is younger than 6 months or 85% if the child is aged 6 months to 1 year.

The minimum benefit is 25% of the insured income level.

The maximum benefit is 5 times the insured income level.

The insured income level is 1,170 litas a month.

Benefit adjustment: The insured income level is set annually by the government.

**Workers’ Medical Benefits**

Medical benefits include the provision of health care services and reimbursement of the cost of medicine.

**Dependents’ Medical Benefits**

Medical benefits include the provision of health care services and reimbursement of the cost of medicine.

**Administrative Organization**

Ministry of Social Security and Labor (http://www.socmin.lt) supervises the program.

State Social Insurance Fund Board (http://www.sodra.lt) administers the program, collects contributions, and pays benefits.

**Work Injury**

**Regulatory Framework**

**First law:** 1936 (accident insurance).

**Current law:** 1999 (work injury).

**Type of program:** Social insurance system.
Lithuania

Coverage
Private-sector employees and certain public-sector employees; students in vocational schools, colleges, and universities; persons sent for vocational training or retraining by the Lithuanian Labor Exchange; and prisoners.
Exclusions: Public-sector employees covered by a state employees’ program and self-employed persons.

Source of Funds
Insured person: None.
Self-employed person: Not applicable.
Employer: 0.18% to 0.9% of earnings, according to three employment categories.
The minimum earnings used to calculate contributions are the monthly minimum wage (800 litas).
Government: None.

Qualifying Conditions
Work injury benefits: There is no minimum qualifying period for work injuries or recognized occupational diseases. Accidents that occur while commuting to and from work are covered.

Temporary Disability Benefits
The benefit is 100% of the insured’s average earnings and is paid from the first day of disability until the date of rehabilitation or certification of permanent disability.
The Disability and Capacity for Work Establishment Office assesses the loss of working capacity.
The minimum benefit is 25% of the insured income level.
The maximum benefit is 5 times the insured income level.
The insured income level is 1,170 litas a month.
Benefit adjustment: The insured income level is set annually by the government.

Permanent Disability Benefits
Permanent disability pension: With a loss of working capacity of at least 30%, the benefit is 50% of the percentage of loss in working capacity multiplied by the compensation coefficient multiplied by the insured income level of the current year.
The compensation coefficient is calculated based on average insured annual earnings and must not be lower than 0.25 or higher than 3.
The insured income level is 1,170 litas a month.
The Disability and Capacity for Work Establishment Office assesses the loss of working capacity.
Benefit adjustment: The insured income level is set annually by the government.
Permanent disability grant: With a loss of working capacity of 5% to 19%, a lump sum of 10% of the insured’s average earnings in the last 24 months is paid.
With a loss of working capacity from 20% to 29%, a lump sum of 20% of the insured’s average earnings in the last 24 months is paid.
The minimum benefit is 25% of the insured income level.
The maximum benefit is 3.5 times the insured income level.
The insured income level is 1,170 litas a month.
The Disability and Capacity for Work Establishment Office assesses the loss of working capacity.
Benefit adjustment: The insured income level is set annually by the government.

Survivor Benefits
Survivor pension: The monthly pension is equal to the permanent disability pension that would have been paid to the deceased with a 100% loss in working capacity.
Eligible survivors are a widow(er) of retirement age or assessed with a disability, orphans younger than age 18 (age 24 if a student), and other dependent persons.
Benefit adjustment: Benefits are adjusted according to changes in the insured income level, set annually by the government.
Survivor allowance: A lump sum of 100 times the insured income is paid to the deceased’s family. The insured income is 1,170 litas a month.
The insured income level is set annually by the government.
Benefit adjustment: The insured income level is set annually by the government.

Administrative Organization
Ministry of Social Security and Labor (http://www.socmin.lt) supervises the program.
State Social Insurance Fund Board (http://www.sodra.lt) administers the program, collects contributions, and pays benefits.

Unemployment

Regulatory Framework
First law: 1919.
Type of program: Social insurance system.
**Coverage**
Private- and public-sector employees, certain public officials, and military personnel.
Exclusions: Self-employed persons.

**Source of Funds**
- **Insured person:** None.
- **Self-employed person:** Not applicable.
- **Employer:** 1.1% of payroll.
- **Government:** Any deficit; contributes as an employer.

**Qualifying Conditions**

**Unemployment benefit:** The insured must be registered at the local Labor Exchange as unemployed and have paid at least 18 months of contributions in the last 36 months; no contribution requirement if the insured is involuntarily unemployed or has just completed compulsory basic military service or state defense service.

**Unemployment Benefits**
The monthly benefit is equal to the state-supported income of 350 litas plus a variable amount based on the insured’s income in the last 36 months, the state-supported income, and the insured income level.
The insured income level is 1,170 litas a month.
The maximum variable amount of the unemployment benefit is the difference between 70% of the insured income level and the state-supported income (350 litas a month).
The benefit is paid from the eighth day after registration for up to 6 months if the insured has less than 25 years of contributions, for up to 7 months with 25 to 29 years of contributions, for up to 8 months with 30 to 34 years of contributions, or for up to 9 months with at least 35 years of contributions.
Benefit is suspended for 3 months if unemployment is voluntary. The insured income level is set annually by the government.
Benefit adjustment: The insured income level is set annually by the government.

**Administrative Organization**
Ministry of Social Security and Labor (http://www.socmin.lt) supervises the program.
Lithuanian Labor Exchange of the Ministry of Social Security and Labor (http://www.socmin.lt), with 46 local offices, administers the program and pays benefits.
State Social Insurance Fund Board (http://www.sodra.lt) collects contributions and disburses contributions each month to the Lithuanian Labor Exchange of the Ministry of Social Security and Labor.

---

**Family Allowances**

**Regulatory Framework**
- **First law:** 1990.
- **Current laws:** 1994 (social income); 1994 (family allowances), implemented in 1995; 1994 (social assistance); and 2003 (social assistance), implemented in 2004.

**Type of program:** Universal system.

**Coverage**
All permanent residents of Lithuania.

**Source of Funds**
- **Insured person:** None.
- **Self-employed person:** None.
- **Employer:** None.
- **Government:** The total cost.

**Qualifying Conditions**

**Social assistance pension (means-tested):** Paid for children younger than age 18 (age 24 if a student) under guardianship or with an assessed need for special care; for persons assessed with disabilities before age 24; for parents, guardians, or caregivers of retirement age or with assessed disabilities who have provided care and constant attendance to a person with a disability for at least 15 years; for mothers of retirement age or with disabilities who have given birth to five or more children and reared them up to age 8; and for persons of retirement age or who are assessed with disabilities.
If the child also receives a survivor pension or any other periodic benefit, the benefit is reduced.

Means test: The means test is based on family income and property.
The Disability and Capacity for Work Establishment Office assesses the loss of working capacity.

**Long-term care allowance:** The allowance is paid to children with disabilities.

**Family Allowance Benefits**

**Social assistance pension (means-tested):** The benefit ranges from 1 to 2 times the basic pension, according to the caregiver or dependent’s assessed loss of working capacity or need.
The basic pension is 360 litas a month.
The value of benefits for children depends on the number and age of children in a family; special benefits are allocated to children of soldiers in military service.
Lithuania

Lump-sum grants for housing, heating, water, and drainage expenses are also provided.

**Long-term care allowance:** The allowance is 100% of the basic pension for a severe degree of disability; 50% for a medium degree of disability.

The basic pension is 360 litas a month.

**Administrative Organization**

Municipalities administer social assistance family benefits.
