NOTES: Payment totals differ from those in the Office of the Chief Actuary's *Annual Report of the Supplemental Security Income Program* because this tabulation allocates payments to the month due, not the month paid; and includes payments reduced by overpayment recoveries.

From 1995 to 2004, the methodology for the derivation of the "Aged," "Blind," and "Disabled" amounts occasionally created slight discrepancies between the sum of the group totals and the "All recipients" total.
