SOURCE: Social Security Administration, Supplemental Security Record, 100 percent data.

NOTES: "Duration of eligibility" refers to the number of years elapsed between a person's first month of eligibility and December of the reporting year. The first month of eligibility is the later of (1) the date of application for SSI and (2) the date of attainment of age 65 (for aged applicants) or onset of disability or blindness (for disabled or blind applicants). For persons who have applied for SSI more than once, this definition refers to the most recent application.

... = not applicable; (L) = less than 0.05 percent.

a. Persons who were converted to the SSI program in 1974 from the state Old-Age Assistance, Aid to the Blind, and Aid to the Permanently and Totally Disabled programs.

b. Does not include aged recipients.
