

**Table 12.**  
**Number and percentage distribution of children receiving federally administered SSI payments, by number of parents in the household, December 2005**

Parents in household	Number	Percentage of total
Total	1,036,990	100.0
No parents <sup>a</sup>	128,380	12.4
One parent	681,810	65.7
Two parents	226,800	21.9

NOTE: The total of children with one or two parents in the household differs slightly from the number of children living in a parent's household in Table 7. This is because the data in Table 7 represent only households in which a parent is the head of the household, whereas the data in this table include children living with parents who are not the head of the household.

a. Children with no parents in the household reside independently, with other relatives or nonrelatives, or in institutions or in foster care. Deeming does not apply in these situations.
