SOURCE: Social Security Administration, Supplemental Security Record, 100 percent data.

NOTES: The Social Security Administration reported expenditures of \$2,365,000 for calendar year 2024 in federally administered payments to SSI recipients.

Living arrangements are as of payment date. Retroactive payments for recipients whose living arrangements are unknown on the payment date are not included.

(X) = suppressed to avoid disclosing information about particular individuals.

DEFINITIONS:

A: Living independently (blind). Includes blind recipients residing in a federal Code D living arrangement; or who are not included under another state living arrangement, do not have an essential person, and are not otherwise ineligible for supplementation.

B: Living in the household of another (blind). Includes blind recipients residing in a federal Code B living arrangement who are not included under another state living arrangement, do not have an essential person, and are not otherwise ineligible for supplementation.

C and H: Living with a dependent person. Includes recipients residing in a federal Code A or C (for state Code C) or federal Code B (for state Code H) living arrangement with an ineligible spouse, parent, child, or adult child living in the home who is financially dependent on the recipient as defined by the state.

D and I: Family life or boarding home. Includes recipients residing in a state-certified family life home or boarding home in a federal Code A (for state Code D) or federal Code B (for state Code I) living arrangement.
