SOURCE: Social Security Administration, Supplemental Security Record, 100 percent data.

NOTES: The Social Security Administration reported expenditures of \$8,531,000 for calendar year 2024 in federally administered payments to SSI recipients.

Living arrangements are as of payment date. Retroactive payments for recipients whose living arrangements are unknown on the payment date are not included.

(X) = suppressed to avoid disclosing information about particular individuals.

DEFINITIONS:

A: Living independently. Includes aged and blind recipients living in their own household or in a certified private medical facility where Medicaid pays 50 percent or less of the cost of care. Also includes blind children under age 18 (age 21 for qualifying "protected children") living in a parent's household.

B: Living in the household of another. Includes aged and blind recipients residing in a federal Code B living arrangement.

C: Domiciliary care. Includes aged and blind recipients certified by the state as residents of a private nonmedical facility or a residential facility serving 16 or fewer persons that provides personal care and services, and who are unrelated to the proprietor.
