a. An unduplicated total of households assisted cannot be derived from these data because the same household may be included under more than one type of assistance.

b. Totals include households that received combined heating and cooling assistance in Arizona, and California; households that received energy assistance in Hawaii with no differentiation made between heating and cooling assistance.

c. Excludes households that received combined heating and cooling assistance in Arizona, and California; households that received energy assistance in Hawaii with no differentiation made between heating and cooling assistance.

d. Households in winter crisis situation received expedited heating assistance.
