SOURCE: 2006 Annual Report of the Boards of Trustees of the Federal Hospital Insurance and Federal Supplementary Medical Insurance Trust Funds, Table III.B4, and analogous tables from earlier annual reports. Because the table published in the 2006 Annual Report displays dollars rounded to the tenths of billions, an analogous unpublished table displaying dollars rounded to the millions was also used.

NOTES: Totals do not necessarily equal the sums of rounded components.

SOURCES: 2006 Annual Report of the Boards of Trustees of the Federal Supplementary Medical Insurance and Federal Supplementary Medical Insurance Trust Funds, Table III.C1, analogous tables from earlier annual reports, and unpublished Treasury reports. Because the table published in the 2006 Annual Report displays dollars rounded to the tenths of billions, an analogous unpublished table displaying dollars rounded to the millions was also used.

NOTES: Totals do not necessarily equal the sums of rounded components.

... = not applicable; SMI = Supplementary Medical Insurance.

a. The financial status of SMI depends on both the assets and the liabilities of the trust fund.

- b. Includes Part B matching payments from the general fund, Part D subsidy transfers from the general fund (for the transitional assistance benefits in 2004 and 2005 and for state expenses for making low-income eligibility determinations in 2005), and certain interest-adjustment items.
- c. Other income includes recoveries of amounts reimbursed from the trust fund that are not obligations of the trust fund and other miscellaneous income.
- d. Includes costs of Peer Review Organizations from 1983 to 2001 and costs of Quality Improvement Organizations beginning in 2002. Includes Part D costs for the transitional assistance benefits in 2004 and 2005 and for payments to states for making low-income eligibility determinations in 2005.
- e. Section 708 of Title VII of the Social Security Act modified the provisions for the delivery of Social Security benefit checks when the regularly designated delivery day falls on a Saturday, Sunday, or legal public holiday. Delivery of benefit checks normally due January 1982 occurred on December 31, 1981. Consequently, the SMI premiums withheld from the checks (\$264 million) and the associated general revenue contributions (\$883 million) were added to the SMI trust fund on December 31, 1981. These amounts are excluded from the premium income and general revenue income for calendar year 1982.
- f. Delivery of benefit checks normally due January 1988 occurred on December 31, 1987. Consequently, the SMI premiums withheld from the checks (\$692 million) and the associated general revenue contributions (\$2,178 million) were added to the SMI trust fund on December 31, 1987. These amounts are excluded from the premium income and general revenue income for calendar year 1988 (see footnote e).
- g. Includes the impact of the Medicare Catastrophic Coverage Act of 1988 as provided for by Public Law (P.L.) 100-360.
- h. Catastrophic coverage premiums—\$1.5 billion—not distributed between aged and disabled enrollees are included in total.
- Delivery of benefit checks normally due January 1993 occurred on December 31, 1992. Consequently, the SMI premiums withheld from the checks (\$1,089 million) and the associated general revenue contributions (\$3,175 million) were added to the SMI trust fund on December 31, 1992. These amounts are excluded from the premium income and general revenue income for calendar year 1993 (see footnote e).
- j. Includes the impact of the transfer to the Hospital Insurance (HI) trust fund of the SMI catastrophic coverage reserve fund on March 31, 1993, as specified in P.L. 102-394. Actual benefit payments for 1993 were \$53,979 million, and the amount transferred was \$1,805 million.
- k. Delivery of benefit checks normally due January 1999 occurred on December 31, 1998. Consequently, the SMI premiums withheld from the checks (\$1,512 million) and the associated general revenue contributions (\$4,711 million) were added to the SMI trust fund on December 31, 1998. These amounts are excluded from the premium income and general revenue income for calendar year 1999 (see footnote e).
- I. Benefit payments less monies transferred from the HI trust fund for home health agency costs, as provided for by P.L. 105-33.
