

Accordingly, the Commission requests comment on whether the concerns outlined in the Plan Approval Order about stocks remaining in Straddle States for indefinite periods of time continues to be a viable concern, and how the data analysis discussed above informs those concerns. In this regard, should the Plan continue to provide the discretion for Primary Listing Markets to declare a Trading Pause when an NMS Stock is in a Straddle State? Are there other alternatives to declaring a Trading Pause to address concerns about NMS Stocks remaining in Straddle States for indefinite periods of time? Should the Plan continue to provide for the collection of data related to Straddle States or should the Plan contain any mechanism to monitor Straddle States? Please explain.

Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number 4-631 on the subject line.

Paper Comments

- Send paper comments in triplicate to Brent J. Fields, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090. All submissions should refer to File Number 4-631. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed plan amendment that are filed with the Commission, and all written communications relating to the amendment between the Commission and any person, other than those that

midpoint of the opening bid and ask quotes significantly deviated from the previous day's closing price. However, information contained in the Angel Report suggests otherwise. See Angel Report *supra* note 13. Table 25 in the Angel Report shows that when all opening reference prices are included, 1.80% of all Straddle States last longer than 30 seconds. In contrast, when days with what Angel refers to as "bad" opening reference points are excluded, Table 27 in the Angel Report finds that 8.34% of the Straddle States last longer than 30 seconds. *Id.* If a "bad" opening reference price contributed to longer Straddle States, the percentage of Straddle States lasting longer than 30 seconds would likely decrease once "bad" opening reference prices are excluded, not increase.

may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filing also will be available for inspection and copying at the Participants' offices. SOCIAL SECURITY ADMINISTRATION

[Docket No. SSA-2015-0056]

Privacy Act of 1974; Proposed New System of Records

AGENCY: Social Security Administration (SSA).

ACTION: Proposed new system of records.

SUMMARY: In accordance with the Privacy Act we are issuing public notice of our intent to establish a new system of records entitled, *Anti-Harassment & Hostile Work Environment Case Tracking and Records System* (60-0380), hereinafter referred to as the Anti-Harassment System. The Equal Employment Opportunity Commission (EEOC) requires agencies to implement anti-harassment policies and procedures separate from the Equal Employment Opportunity process. As a result of implementing those policies and procedures, SSA is creating the Anti-Harassment System, which will capture and house information regarding allegations of workplace harassment filed by SSA employees, including SSA contractors, alleging harassment by another SSA employee or SSA contractor. The Anti-Harassment System supports our efforts to prevent harassment from occurring, to stop it before it becomes severe or pervasive, and to conduct prompt, thorough, and impartial investigations into allegations of harassment, thus supporting our obligation to maintain a work

environment free from discrimination, including harassment.

DATES: We invite public comment on this new system of records. In accordance with 5 U.S.C. 552a(e)(4) and (e)(11), the public is given a 30-day period in which to submit comments. Therefore, please submit any comments by January 3, 2017.

ADDRESSES: The public, Office of Management and Budget (OMB), and Congress may comment on this publication by writing to the Executive Director, Office of Privacy and Disclosure, Office of the General Counsel, SSA, Room 617 Altmeyer Building, 6401 Security Boulevard, Baltimore, Maryland 21235-6401, or through the Federal e-Rulemaking Portal at <http://www.regulations.gov>. All comments we receive will be available for public inspection at the above address and we will post them to <http://www.regulations.gov>.
