

If you're an F-1 or M-1 student and have a work permit (Form I-766) from the DHS, you must present it.

If you're a J-1 student, student intern, or international visitor, you must provide a letter from your sponsor. The letter should be on sponsor letterhead with an original signature that authorizes your employment.

We cannot process your application if:

- Your on-campus or CPT work begins more than 30 days from your application date; or
- The employment start date on your work permit from the DHS (Form I-766) is a future date.

Age

You must present your foreign birth certificate if you have it or can get it within 10 business days. If you can't present your foreign birth certificate, we can consider other documents, such as your passport or a document issued by the DHS, as evidence of your age.

Identity

We can only accept certain documents as proof of identity. An acceptable document must be current (not expired) and show your name, identifying information, and preferably, a recent photograph. Social Security will ask to see your current unexpired foreign passport with DHS issued immigration documents.

All documents must be either originals or copies certified by the issuing agency. We cannot accept photocopies or notarized copies of documents. We also cannot accept a receipt showing you applied for the document. We may use one document for two purposes. For example, we may use your admission stamp in the unexpired foreign passport as proof of both work eligibility and identity.

We don't require you to have a Social Security number before you start work. However, the Internal Revenue Service (IRS) requires employers to report wages using a Social

Security number. While you wait for your Social Security number, your employer can use a letter from us stating that you applied for a number. Your employer may use your immigration documents as proof of your authorization to work in the United States. Employers can find more information on the Internet at www.socialsecurity.gov/employer/hiring.htm.
