1. After signing into your personal my Social Security account, select the “Replace Documents” link on the upper right-hand side of the screen, and then select “Request a Replacement Card.”

2. Next, review your “Background Information” and verify your email address.

3. Then, enter information under “Identity Verification” including your name, date of birth, Social Security number, driver’s license or state-issued identification information, and address.

4. Once your identity is verified, your request for a replacement Social Security card is complete!

You can request a replacement Social Security card online if you:

- Are a U.S. citizen age 18 or older;
- Have a driver’s license or state-issued identification card (visit www.socialsecurity.gov/ssnumber for a list of qualifying states);
- Have a U.S. mailing address (this includes APO, FPO, and DPO addresses);
- Have a my Social Security account; and
- Don’t require changes to your name, date of birth, place of birth, and/or gender.
