Will Social Security Be There For Me?

Securing today and tomorrow

Our Trust

There are two Social Security trust funds.

Old-Age and Survivors Insurance (OASI)

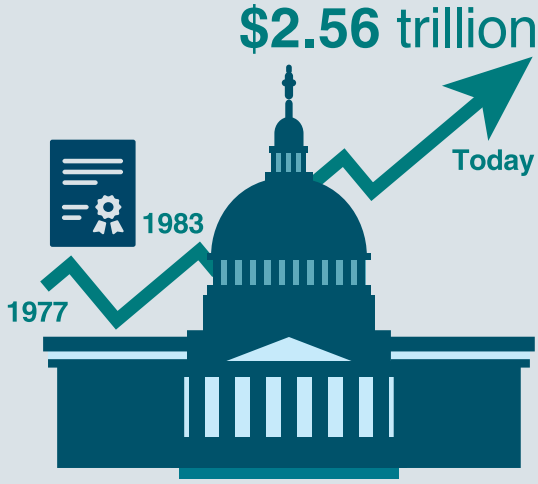

Disability Insurance (DI)

We can only pay benefits if there is money in the trust funds.

Transforming to Meet the Needs of Our Customers

The OASI and DI Trust Funds have reached the brink of depletion of asset reserves in the past.

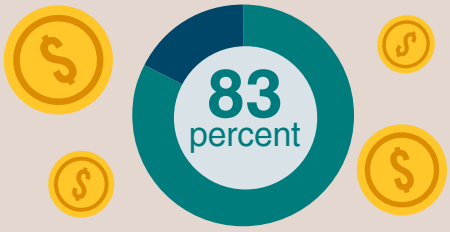

However, in 1977 and 1983, Congress made substantial changes to the program that resulted in the $2.56 trillion in the trust funds today.

Social Security in the Future

The combined OASI and DI Trust Funds will be able to pay all benefits in full and on time until 2034.

Even if legislative changes are not made before 2034, we'll still be able to pay 83% of scheduled benefits.

Social Security is with you through life's journey, securing today and tomorrow.
